

2016 Scholarship Committee Recipients

The Scholarship Committee met on May 18th to choose our Scholarship recipients. This year's awardees are Jacob Appel from the Westhill AgriScience Program, who will attend the Univ. of Colorado and major in Evolutionary Biology and Ecology, and Chris Taylor from Stamford High School, who will major in Environmental Engineering and attend Lehigh University.

Congratulations to them! They joined us at the June 9th Membership meeting for the Scholarship presentations. We were glad to share their pride, so enjoy the three photos below.
